# ATTENZIONE

Il modello è stato progettato per poter contenere una rappresentazione fedele di tutti gli interni

Per mancanza di materiale al momento attuale l'arredo dello scomparto centrale, quello di combattimento, non è stato realizzato.

Consiglio, per tutte quelle parti per le quali non si volesse realizzare l'interno ( quindi anche gli scomparti di manovra se si lasciano porte e portelli chiusi), di irrobustire la struttura con un ulteriore cartoncino.

Buon lavoro.

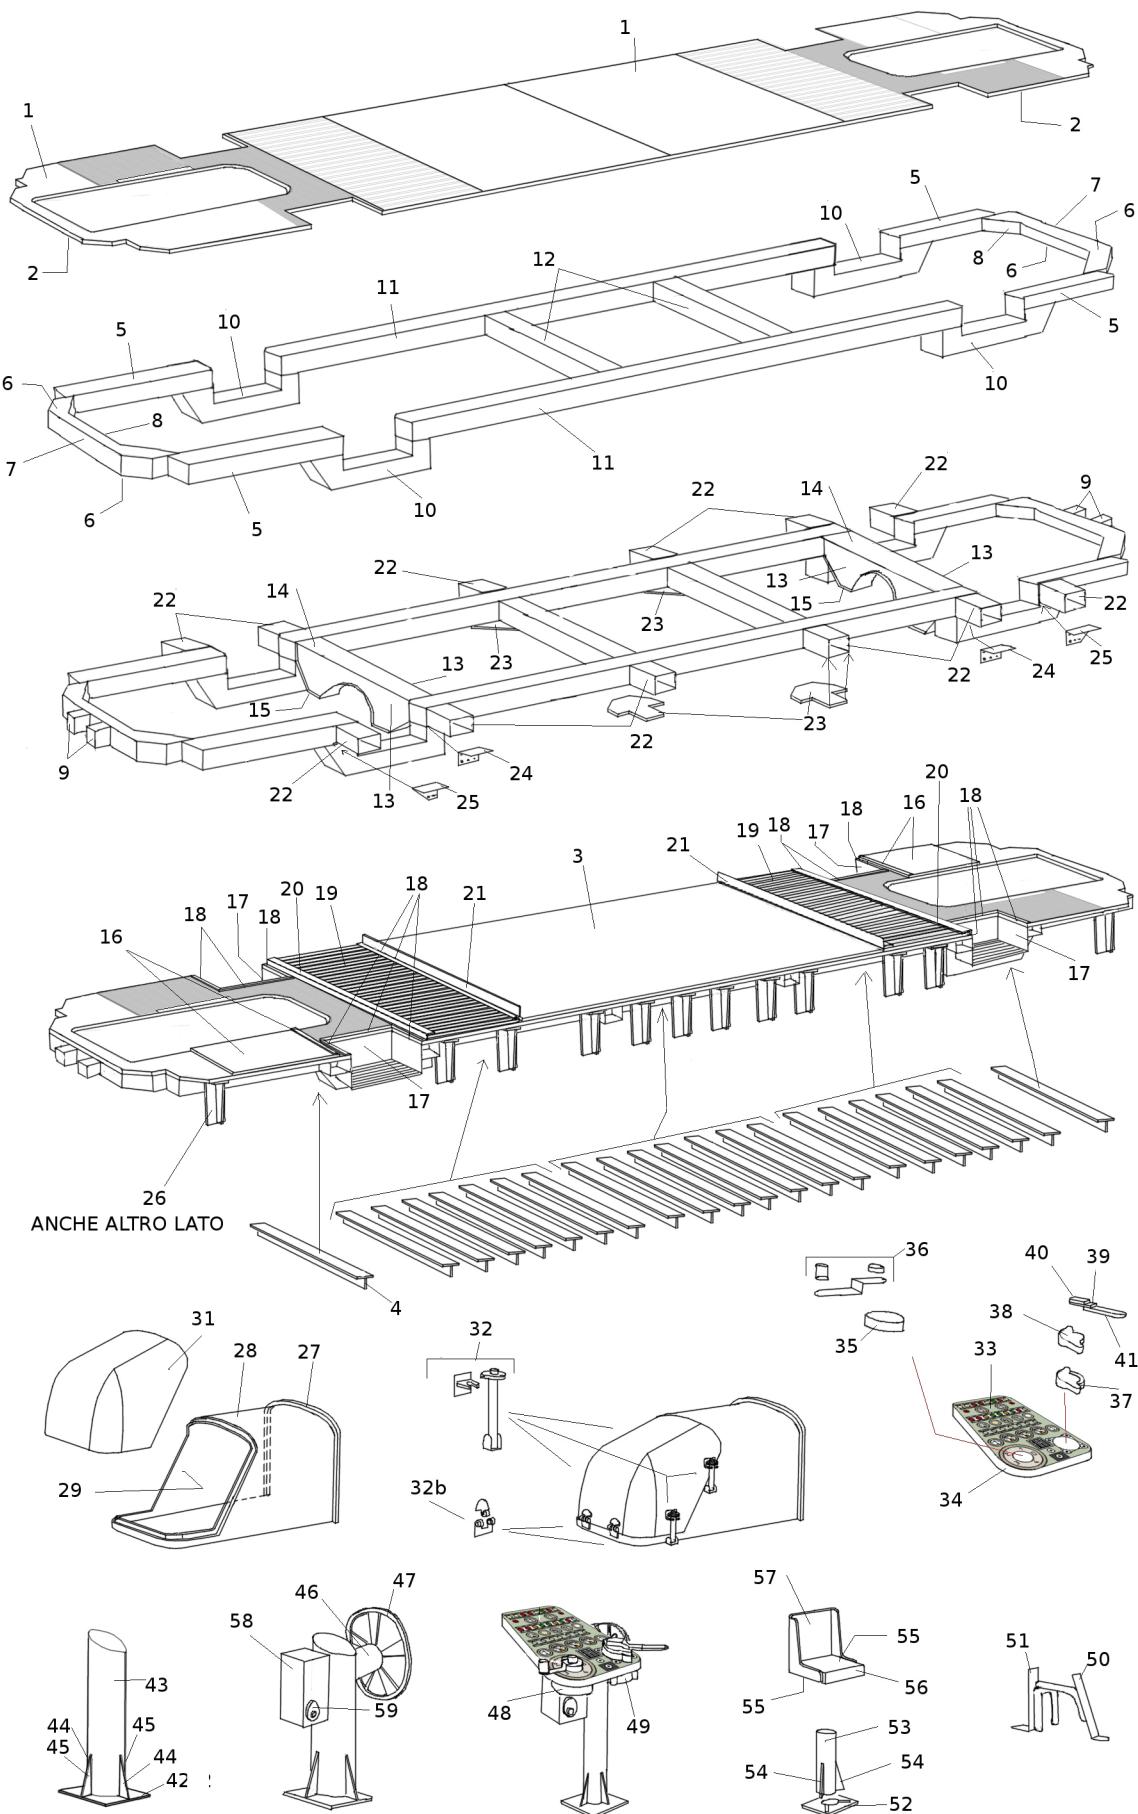

# ATTENTION

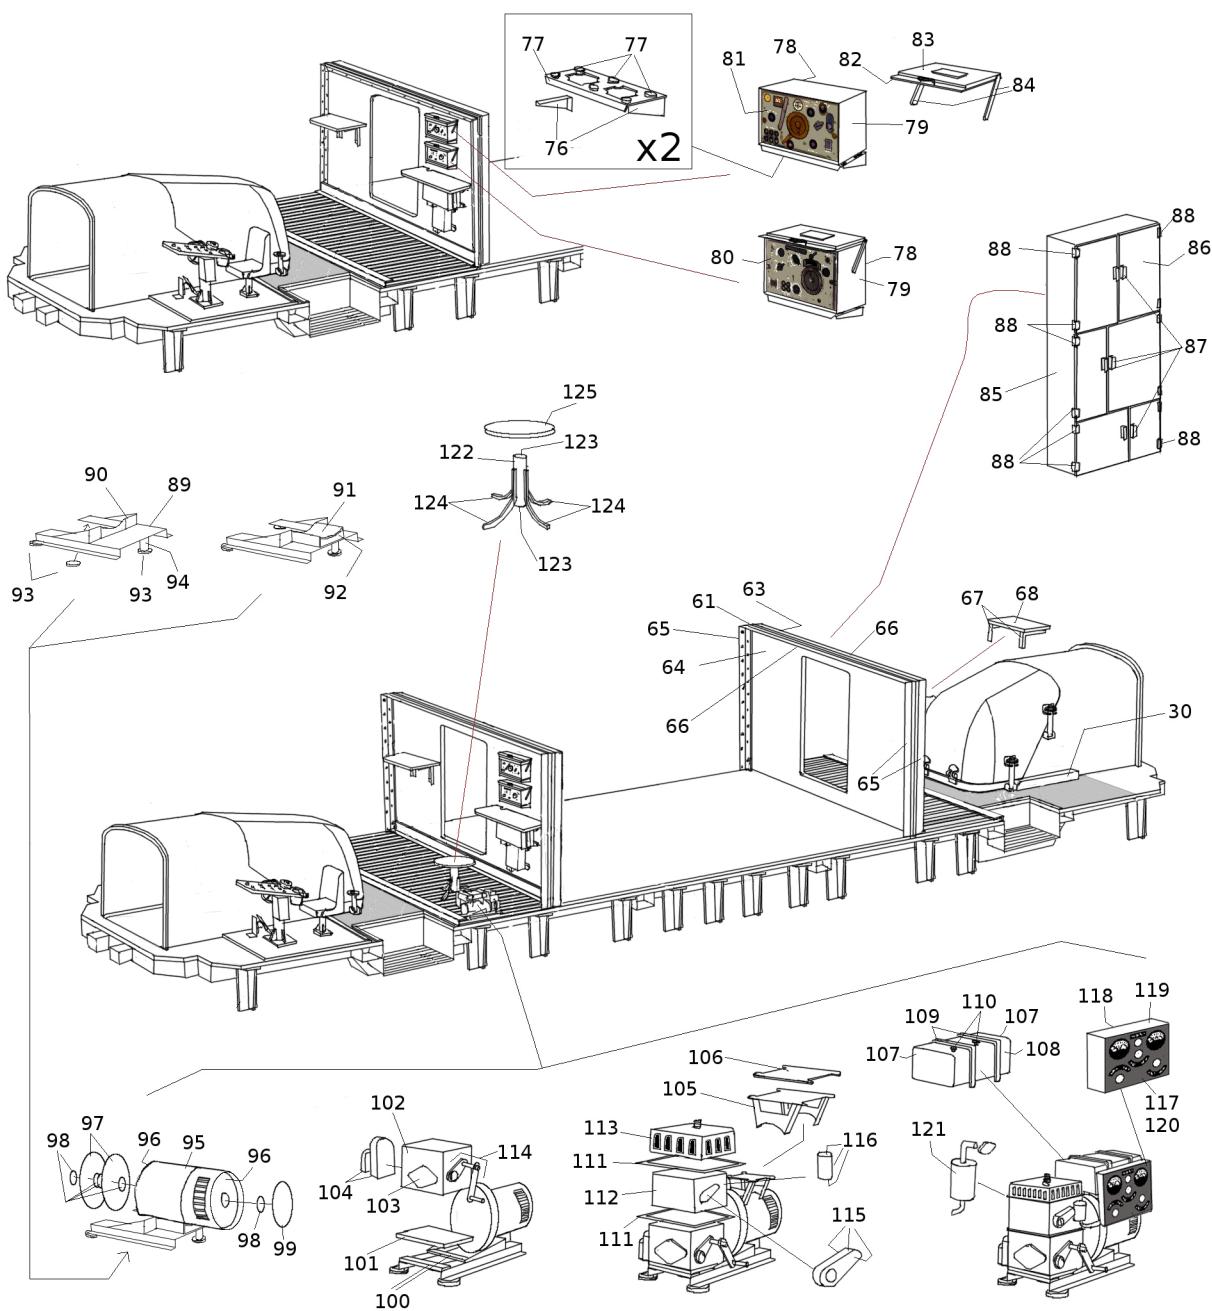

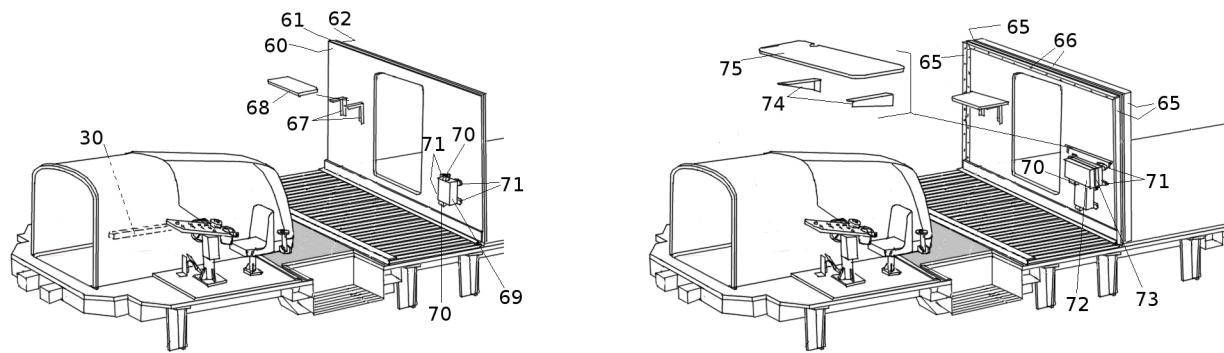

The model was designed to contain a faithful realization of all the interiors.

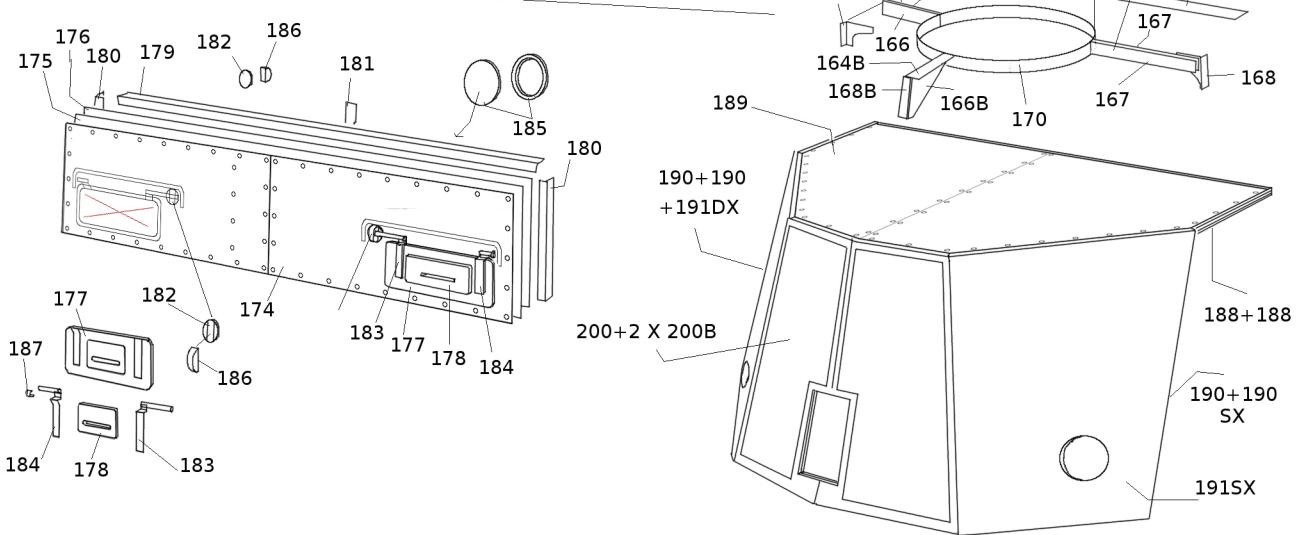

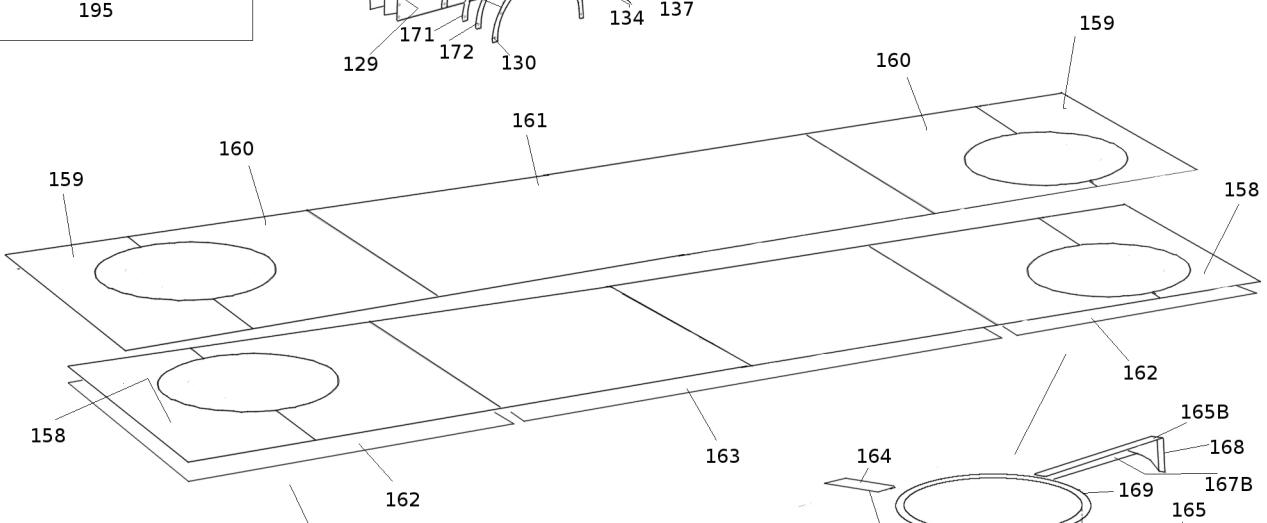

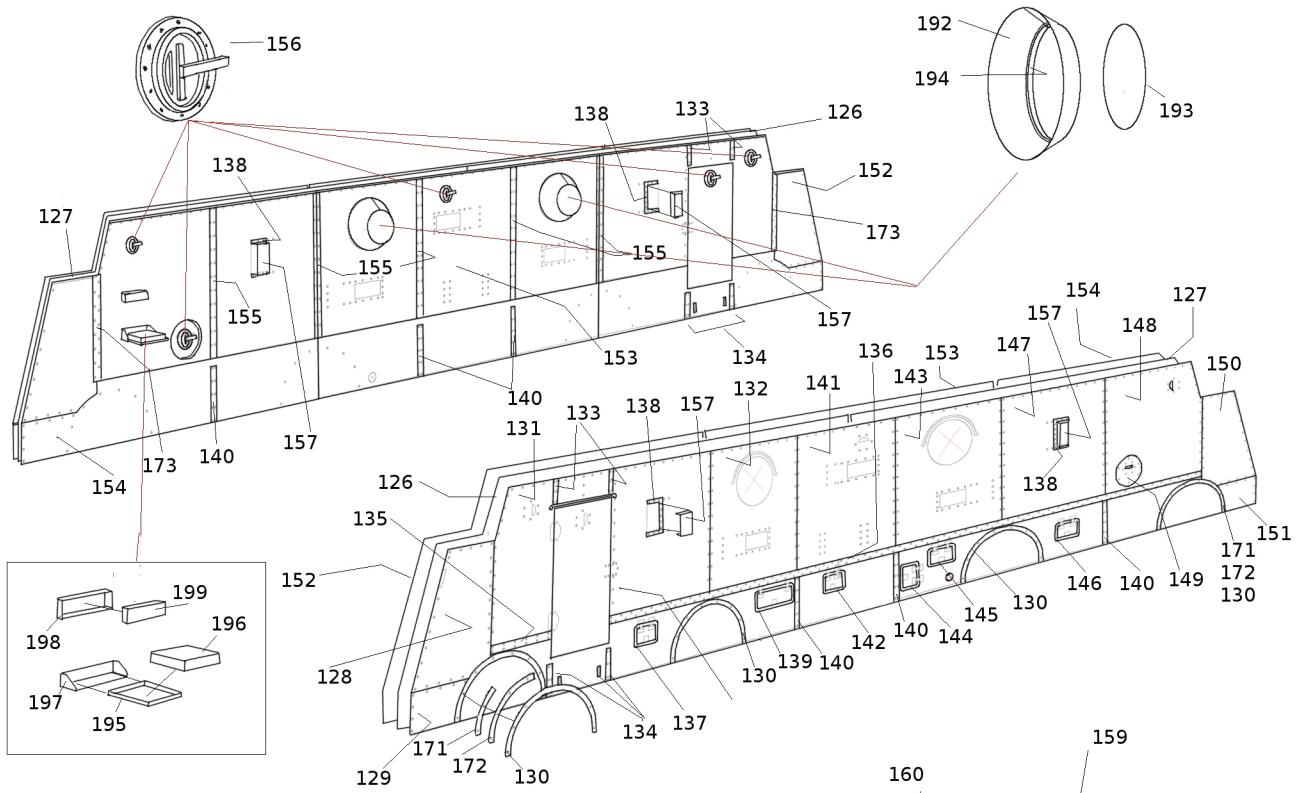

For lack of documentation, at present, the furniture of the central compartment has not been realized.

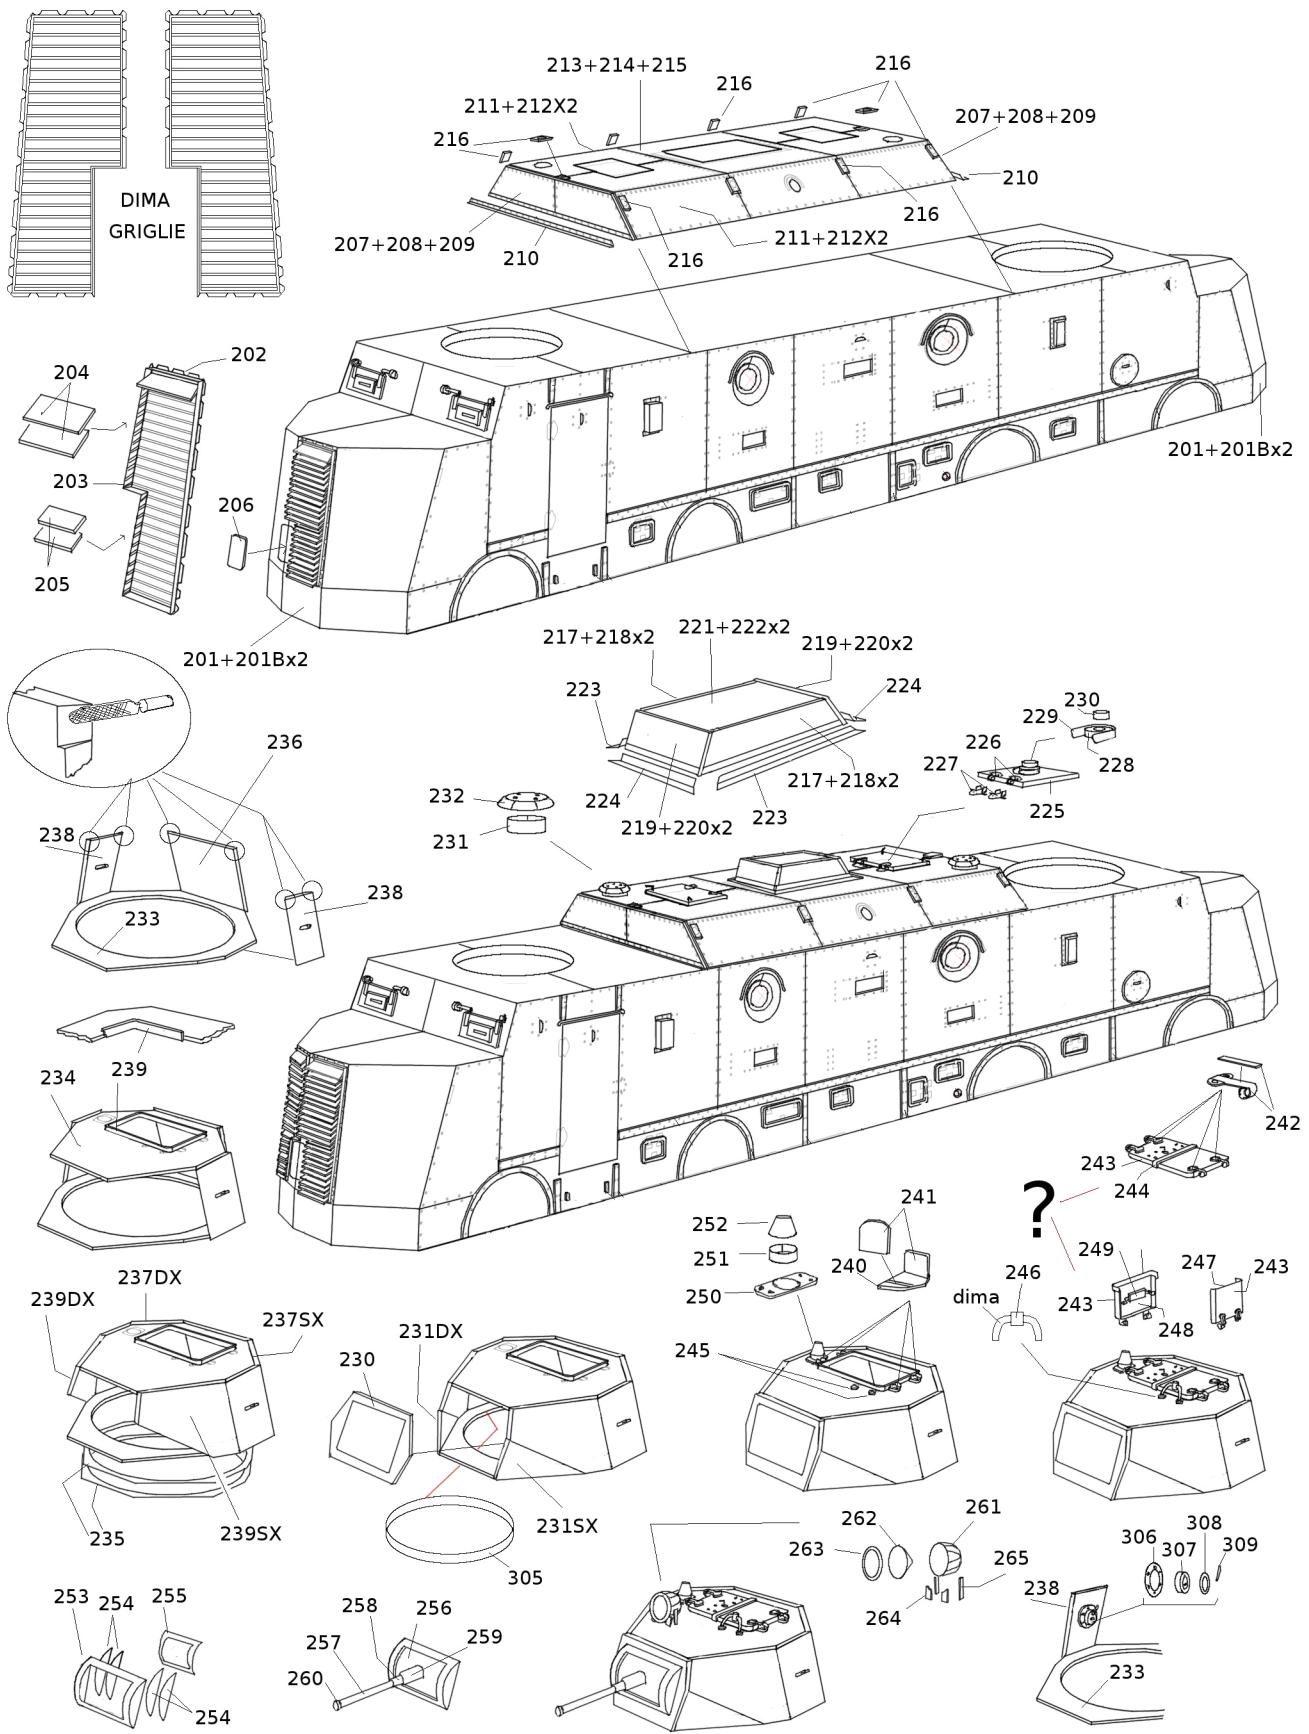

For all the parts for which you do not want to realize the interior I advise you to strengthen the structure with a cardboard.

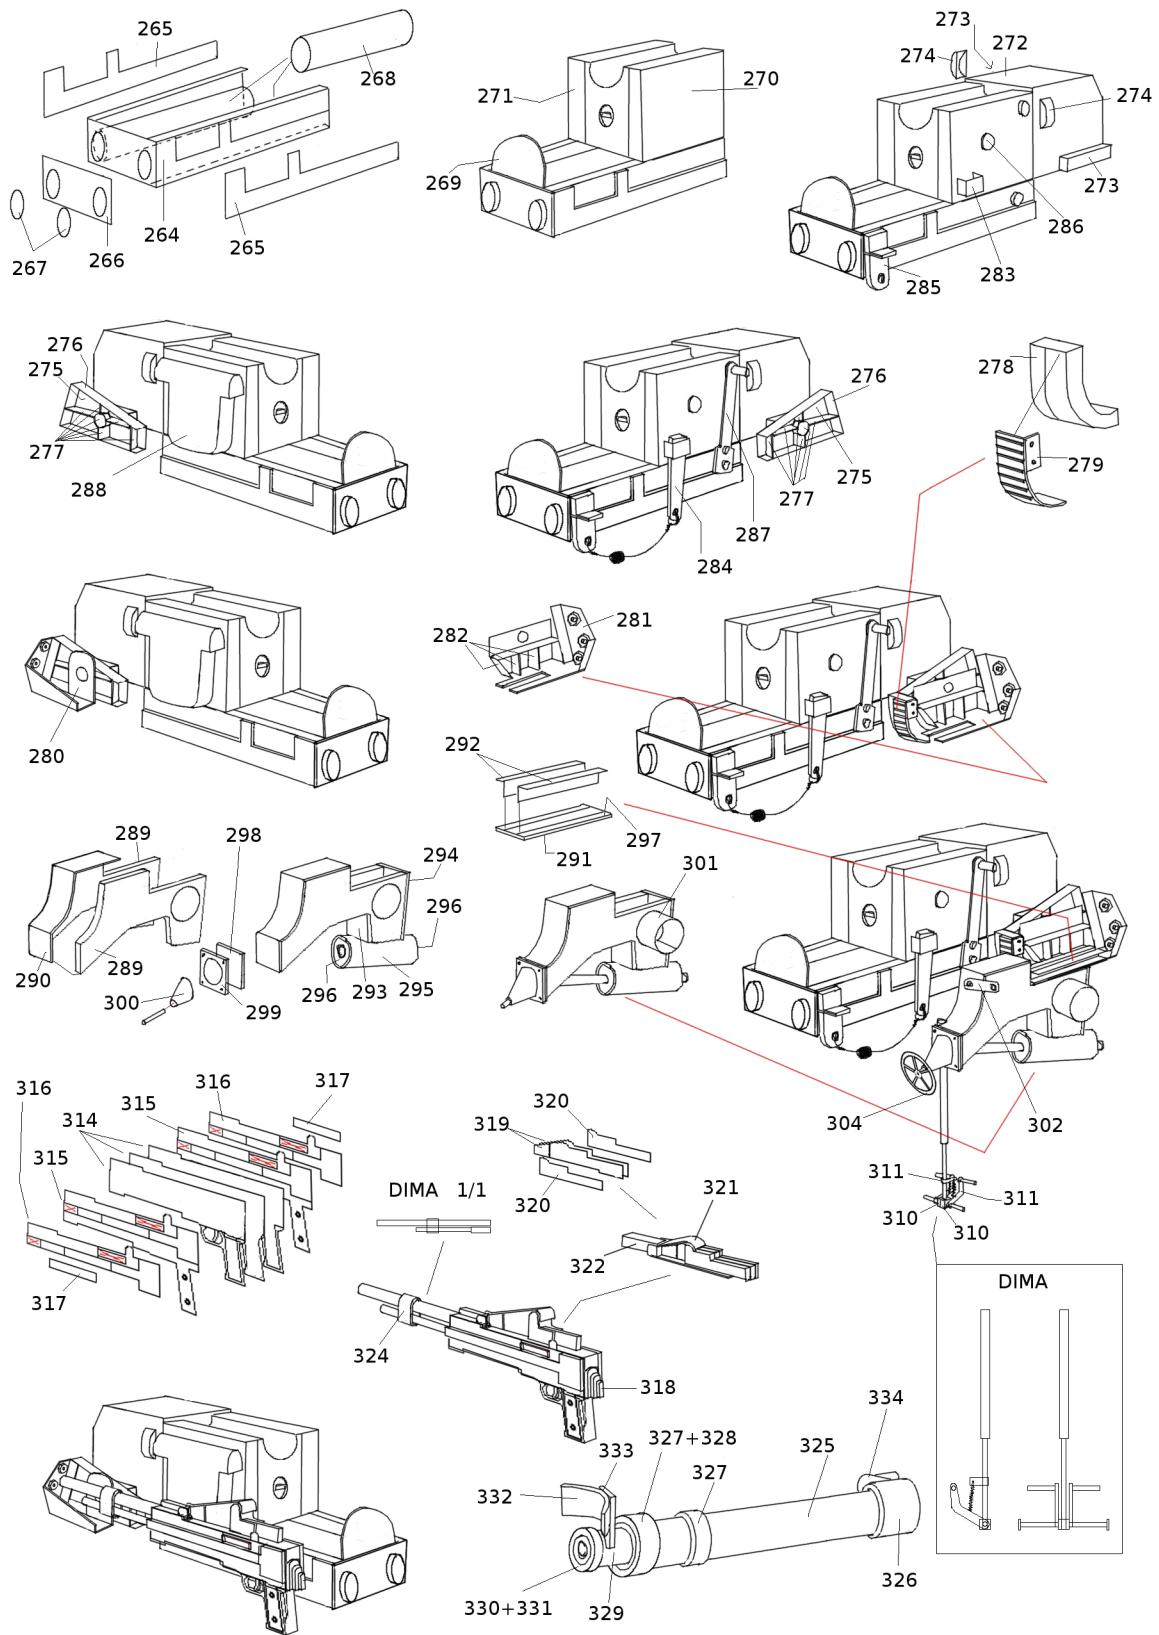

Good job
